Infinite Communication Possibilities

Commercial Lighting Products Ltd. → "I would like to express our complete satisfaction with our Norstar Telephone System that we purchased from Algo. The quality service provided by Algo is top notch. The Norstar System is extremely flexible and very user friendly. I would not hesitate to recommend your company's products and services to other companies." || **Whitewater Communications** → "Whitewater is very happy with the Norstar Telephone & Voicemail System. Not only are the system and phones first rate but also the service, talent and personalities of everyone I've met from Algo Communication Products. You are definitely our supplier of choice for all our communications needs and will be highly recommended to anyone we speak to." || **Axidata Inc.** → "I would like to thank you profusely for the excellent work your company did in helping us with our communication needs. We are very grateful for such a smooth transition to our new system. Once again, thank you very much." || **Campbell, Renaud** → "The staff at Campbell, Renaud would like to thank you for the excellent work your team did installing our new system. They made the transition from the old system to the new quick and easy. The technician was very neat and tidy and worked efficiently. Overall, we were extremely satisfied at the service we received and are very pleased to be using our new phones. We thank you all for your co-operation, kindness and excellent service." || **Weiler-Smith-Bowers** → "I am writing to commend your staff for their customer service. As clients of yours for several years, we have always found your staff to be most helpful and courteous. Your staff is a credit to your company." || **PEAK Investment Services** → "I would like to thank you all concerned for the very efficient equipment sale, installation and after-sales service. Your attention to every aspect has been excellent. You are a credit to your industry and a sincere pleasure with which to work." || **Brower Claims Canada & Co. Ltd** → "Thank you all for the very fine work on this installation. Even the few expected glitches were easy to deal with since we had such good support. Your after hours service and support was topnotch. We are pleased to recommend Algo when asked." || **Family Insurance Solutions Inc.** → "For over 10 years, Algo has been looking after our communication needs. As our company has grown to over 60 employees, they have been there for us. Algo looks after our voice & data cabling, a complex ACD for our call center, voicemail and telephone system requirements. I am especially happy with the level of qualified and friendly technicians provided us. They work tirelessly, efficiently and are always pleasant to deal with. I am pleased to recommend your company." ||

Harbour Air Seaplanes

"Algo Communication Products Ltd. was selected based on their expertise and professionalism. We have installed a VOIP solution using the BCM from Nortel Networks to connect our Vancouver Airport, Vancouver Harbour, Victoria Harbour and Nanaimo Harbour locations. Algo took the time to understand our requirements, recommend a solution based on proven technology and delivered in a timely manner."
